Game Rules printed Instant Ticket «Win for Life Deluxe»

Article 1

«Win for Life Deluxe» is the name of an instant ticket offered by Swisslos Interkantonale Landeslotterie (hereinafter «Swisslos»). These Rules are supplementary to Swisslos' existing «Printed Instant Ticket Products: General Terms of Participation» regulations and apply exclusively to «Win for Life Deluxe».

Article 2

The main prize consists of the immediate payment of a one-time win of CHF 1 million and a monthly payment of CHF 6,000 (before deduction of tax) for a period of 20 years.

The second-highest prize consists of a monthly payment of CHF 2,000 for a period of 20 years.

The payments are personal and non-transferable.

Article 3

If the winner dies within two years of their instant ticket win, the remaining payout instalments which would have been disbursed during the first two years and which have not yet been disbursed are paid out to the heirs in the form of a one-time lump sum.

The heirs' claim will be due for payment once they have proven their legal right to inheritance. In any case, the heirs' claim is limited to five years following the death of the testator.

Heirs must inform Swisslos of the death of the instant ticket winner immediately. Any sums paid out by Swisslos while unaware of the death of the instant ticket winner must be paid back to Swisslos in full in so far as these payments exceed the amount to which the heirs are entitled in accordance with these Rules.

If the winner dies after a period of two years following their instant ticket win, all payout instalments that have not yet been disbursed are forfeited and used for the charitable purpose to which Swisslos contributes.

Article 4

Instead of the main prize as set out in Article 2 consisting of the monthly payment and the one-time win (Option A), the winner of the main prize may choose to receive this prize in the form of a one-time payment of a lump sum amount (Option B).

With Option A, a total of CHF 2.44 million is paid out over a period of 20 years (one-time win of CHF 1 million and a monthly payment of CHF 6,000 for 20 years, corresponding to CHF 1.44 million).

With Option B, an immediate one-time win of CHF 1.75 million is paid out.

Regardless of the option chosen, withholding tax will be deducted from the amount of the prize money exceeding the tax-exempt allowance of CHF 1 million.

Article 5

Instead of the monthly payment described in Article 2 (Option A), the winner of the second-highest prize may choose to receive this prize in the form of an immediate one-time win (Option B).

With Option A, a total of CHF 480,000 is paid out over a period of 20 years. With Option B, an immediate one-time win of CHF 250,000 is paid out.

Article 6

One-time payments under Option B as set out in Articles 4 and 5 herein will only take place once a binding written declaration stipulating the choice of Option B has been received from the winner. Swisslos will provide the winner with a pre-printed form for this purpose.

The winner must legally sign the form and return it to Swisslos within 30 days. The deadline can be extended by a maximum of a further 30 days.
